

Couple Ministry at Central United Methodist Church

Central UMC is committed, not only to making weddings happen, but also to encouraging and developing healthy marriages and couple relationships. In addition to planning for your wedding, the pastors and leaders of Central will also introduce you to the skills and practices of healthy couple communication through a Wedding Workshop, scheduled each quarter, one of which you will attend before your wedding. In addition, couples will take a premarital inventory called Prepare/Enrich that will guide you and your pastor or couple counselor in a conversation about the relationship and areas of strength and growth as you begin your lives together. Throughout the year, there will be additional couple classes held at Central that we hope you will want to be a part of!
